- THIS IS NOTES

*American Walnut • Bricks • Luxury • Elegance*

Notes is made from American walnut coming from rejected sapwood and surplus stock. The masonry layout gives the whole a pleasant, visual rhythm. So sit back and enjoy the melodies and harmonies. The purple hues and solid thick wood tiles, give Notes certain self-confidence. Give it space, let it play.

## MISSION

To create joyous panelling from salvaged woods that enriches surfaces and enhances your interior.

We strive for the highest quality to produce panelling that will last a lifetime.

## HOW

We scour the land for woods that can be salvaged and upcycled, giving discarded timber a second lease on life. Typically, we'll turn a weathered girder into a striking collection of unique wall tiles.

It's a reincarnation of sorts.

## WHY

We love wood and working with craftspeople.

We love salvaging woods, breathing new life into something old, worn and weathered.

We love exploration and travel. We love design and having fun with like-minded souls.

That's why we do what we do the way we do it.
